Social Welfare Bureau, Government of Macau SAR

Macau government representative will share on their countries' measures and initiatives in addressing problem gambling

In 2005, the Social Welfare Bureau of Macau SAR has set up The Resilience Center, which specializes in providing preventive and rehabilitative services for problem gamblers. The services that The Resilience Center provides including hotline service, face-to-face counselling, financial counselling, community seminars to various populations, such as youth, adult, dealers in training and prisoners. Currently, the Resilience Center has built up a referral system with Tung Wah Group of Hospitals Even Center and Caritas Addicted Gamblers Counselling Centre of Hong Kong to handle problems gamblers who frequent casinos in macao . Throughout the year, The Resilience Center has been cooperating with different NGOs to run preventive programs.
